Don't forget that we are here to provide you an excellent stay!

## Environment

Selective sorting containers (glass, cardboard, plastics and household waste) and a compost bin are placed at the exit of the campsite, next to the grocery store and on the other side of the road. Our campsite is a nature space, let's preserve it, let's respect it, thank you.

## Electric vehicle plug in prohibited

We remind you that it is strictly forbidden to charge your electric vehicle on the campsite. Indeed, the electrical outlets on your pitches or in your accommodation are not suitable for the necessary power required.

You risk starting a fire within the campsite.

We invite vacationers with an electric vehicle to go to the nearest charging stations located in Barcelonnette or Lauzet.

## Fires, charcoal barbecues and candles are prohibited

We remind you that fires are prohibited on the campsite and that only gas or electric barbecues are authorized. Candles are also prohibited.

## Safety Regulation In Case Of Flood

Part of the campsite is located by the river Rioclar which might exceptionally have a rapid rise in water level under very bad weather conditions the river might swell and possibly overflow its banks and flood some camping place. You would be warned in due time.

Under such circumstances keep calm and follow step by step the management's guidance.

### Pre-emergency

- Pack light equipment
- Get vehicles and caravans ready for clearing
- Take all your documents, money and valuables.

### Emergency

- Leave the site under the management's guidance.

## Safety Regulations In Case Of Fire

We remind you that fires are prohibited on the campsite and that only gas or electric barbecues are authorized. Candles are also prohibited.

If you notice a fire starting, keep calm let it know the management immediately.

Turn off gas or remove gas-bottle from tent or caravan.

Fight fire with an extinguisher or a hose plugged to a hydrant target at the lower part of the flames.

## Pre-Emergency Evacuation
